

## **General Information**

There will be spots available for all age groups. Existing teams will be looking to fill open spots and we will be forming new teams at each age group.

The pre-registration fee for tryouts will be \$30.00. All players must have a copy of their birth certificate.

The AAU season begins in March and continues into June. There is a fee associated with playing for Lightning if you are selected for a team. That fee varies depending on the team for which you are selected (in general fees could range from \$400 to \$800 depending on the schedule and other factors). AAU is for the serious player who wants to improve their skill level and one day aspires to play at the high school and college level. Practices are held once or twice each week beginning in mid-March. Games are played only on weekends at various sites throughout Westchester/Putnam and the New York Metropolitan area and on occasion out of the area (generally for the older teams).

\*\*A note on Boys Age Groups: whatever age your son is between today and August 31st is the group you register for. Example: if he is 11 years old today and turns 12 on June 15 - you then register for 12U. If his birthday isn't until September 2 - you then register 11U

### **Note to all players and parents:**

- All players should try their best to make both tryouts so that the coaches get a good look at your child. If for some reason you miss the first one you can still come to the second one.
- If you are currently injured and did not play the previous season it will be very difficult for you to get onto a team since the coaches can't see you tryout on the court.
- If we should come into bad weather, new dates and times will be posted on the website at [www.brewstersportscenter.com](http://www.brewstersportscenter.com).
- There will be an important informational parent meeting after the first 15 minutes of each tryout. Please DO NOT just drop off your child and leave.
- Please bring a copy of your child's birth certificate to the tryouts.
